Not sure if you did any of this yet, but here's a pared-down list of the products with a 2016 expiration date. There may be a few straggling non-ag products, but not many. I may have deleted a few ag-use products that did not have links to HI labels.

Regards,
Patti

Hi Kathy,
Please see below. I would like to follow up with Amy to get more specific on what they are looking for, before I make selections. Can we talk?
